# Atcemsce Scholarship

## About
As the president of Atcemsce, I remember the struggles during my college days. Every dollar then helped me become the person that I am today, and as a way to give back, the staff and I decided to have our own first annual scholarship contest.

A prize of $1,000 will be awarded to the student that best meet the eligibility rules. Please pay close attention to what is required or your entry might be discarded without any consideration for the one-thousand dollars prize.

## Eligibility
All applicants must either be a U.S. citizen or legal resident Alien with residence in one of the fifty states or the District of Columbia, famously known as Washington D.C.

You must be at least 17 years of age to apply, or get your parents‘ permission if you’re a whiz kid

All applicants must be currently enrolled at an accredited University or accepted for the 2017/2018 school seasons.

## How To Enter
We’ve come up with an easy way for you to apply by writing an original essay (700 to 2000 words) dealing with just one of the following topics:

1 – The factors responsible for the explosion of obesity in America today
2 – Differences between organic and non-organic food ingredients
3 – Fitness tips for students to help them stay in shape

You just need to select one topic and create a compelling 700 to 2000 words essay conveying your views. Keep in mind that it is not the number of words that matter, but creativity, originality, and coming up with ideas, will get you extra points.
