# FitnessGuyd’s Scholarship for Engineering and Medical Students

**About**

Education plays a pivotal role in one’s life. It helps us maintain a balance, deal with the ups and downs of life and also make a positive impact on the lives of those close to us and it’s for this reason FitnessGuyd is giving this scholarship opportunity to all undergraduate or postgraduate students attending an accredited four-year College or recognized University for Engineering And Medical courses.

**Eligibility**

A minimum GPA of 3.0 is must for students studying in accredited college or university in Fall (of the current year) or Spring (of the following year).

**How To Enter**

All winners will need to provide proof of meeting the following requirements:

- Must be at least 18 years old (at the time of disbursement)
- Must be a citizen of the United States or Canada
- Must be enrolled in an academic program in Business and Management.
- Must have a valid government ID proof (Passport or Driving License).

**Award Amount**

$1,200

**Deadline**

Please Submit your Application/Essay before 30th June 2017 for the Fall Scholarship and before 30th November 2017 for the Spring Scholarship.
