# Ghostek Scholarship

**About**
We are happy to introduce Ghostek Scholarship program for college students who are extremely passionate about their fields of study. This scholarship is not limited to a particular major. All we are looking for is passion about your future job. The amount of this scholarship is $1,000 payable to an accredited US college or university. To qualify, please send a 1000 word essay to Scholarship@GhostekProducts.com. In this essay explain why you think your major is great and why you should be picked the winner. One of the main criteria is how passionate are you about your future job.

**Eligibility**
*Who can apply* - undergraduate and graduate students of accredited US university or college

**How To Enter**
- **How can you apply** - submit 1,000 words essay about your passion for your future profession and why you should be picked as a winner. We want to learn about what drives you and how passionate are you.
- **How will you get the money** - $1,000 check will be sent directly to your college.
