## About

**Luvmihome Scholarship**

LuvMiHome is a start-up blog that focuses on new technologies in the home. LuvMiHome feels that there will be an influx of new products for the home that emerge due to the convergence of multiple technologies. For example, in our article about the Best Vacuum Cleaner 2017, we cover robotic vacuum cleaners which can be programmed with your smartphone.

LuvMiHome is a great supporter of education and it gives us great joy to be able to offer this scholarship to new and current students. The scholarship is available to graduate and undergraduate students. International students are welcome.

## Eligibility

The scholarship is available to graduate and undergraduate students. International students are welcome.

## How To Enter

Applicants for the LuvMiHome scholarship need to write two essays. The essay questions are listed below. The answer to our essay questions should be submitted via email to scholarships@luvmihome.com. Along with the two essays please include the following information with your application:

- Full Name
- Address
- Age
- Contact Number
- Email Address
- The name of your School/ College, Department/ Course
- Graduating year
- GPA

**Answer the following Questions**

**Question 1:** What are your goals and ambitions in life? How do you plan to achieve them? (essay should be 300 – 700 words)

**Question 2:** What is your vision for your future home? What new technologies do you expect to see? (essay should be 300-700 words)

*Tip for Question 2: Use your imagination! The technology doesn't have to exist.*
