# PICKHVAC Scholarship

## About

**PICKHVAC** dedicates to provide its readers with heating and cooling buying guide and maintenance tips that will help homeowners solve most HVAC issues. Aspiring to spread awareness, we are opening our annual **PICKHVAC scholarship program** to HVAC students who share the same passion with us.

If you think you have what it takes to get the program, we highly encourage you to give it a try. Who knows? It might be for you, after all.

## Eligibility

- We welcome students from universities and colleges. If you are below 18 years old, or if you're still in high school, make sure to get the consent of your parents or legal guardians first before joining.
- Having a basic knowledge of HVAC is a major plus factor as we will be choosing a scholar who believes in the same vision and values as PICKHVAC.

## How To Enter

We want you to write an HVAC article that’s 500 to 1000 words long. Please use an engaging conversational style (not “boring science” tone) to write this article.

Keep in mind that our audience is common homeowners like your parents, please use easy-to-understand and practical language to help them get the point and solve the issue.

Other criteria in assessing your entry:

- Originality
- Feasibility
- Creativity

Once you’re done with your article, you can send it to [scholarship@pickhvac.com](mailto:scholarship@pickhvac.com) on or before **May 30, 2017**.

When submitting, please don’t forget to include these details:
