### Meals

Your registration fee includes breakfast, lunch, and  
an afternoon snack for all five days. Dinner is not  
included. If you have a food allergy, please describe  
the allergy at the time of registration, so that  
accommodations can be made.

### PROGRAM SUMMARY

This course is for anyone who would like to improve their singing  
or speaking voice. Level One: Figures for Voice™ teaches the tools  
of the craft to add strength, clarity and stamina to your voice!  
Participants will use Figures for Voice™ to learn control of the  
vocal structures that influence voice quality. Level Two combines  
the Figures from Level One to produce six voice qualities: speech,  
falsetto, sob, twang, opera, and belting. Figure Combinations for Six  
Voice Qualities™ offers a clear understanding of the voice's  
limitless possibilities, along with how to keep it vibrant and healthy.  
Throughout the day, the new voice skills are practiced in small  
group sessions. There will also be ample time for questions,  
discussion, and work on individual repertoire or case studies.

### BIOGRAPHIES

**Kimberly Steinhauer, Ph.D.**, has devoted her entire career to  
voice. As a singer, she has performed in venues ranging from pop  
through opera & sacred music. As an educator, she has taught in  
the public school and university setting. She also tailors voice  
exercises and repertoire specifically for clients who have  
experienced vocal injury, in her role as singing voice specialist.  
As a scientist, Kimberly was awarded a federal grant to study  
voice motor learning in aging singers & speakers. Dr.  
Steinhauer's work has been published in the *Journal of Voice* and  
in *Professional Voice: The Science and Art of Clinical Care*, 3<sup>rd</sup>  
edition. She is editor of *The Voice Foundation Newsletter*, interim  
Head of Voice at Point Park University, and a Founding Partner  
of *Estill Voice International, LLC*, a voice training and software  
company for "...your speaking, your singing, and your health"  
with headquarters in Pittsburgh, PA.

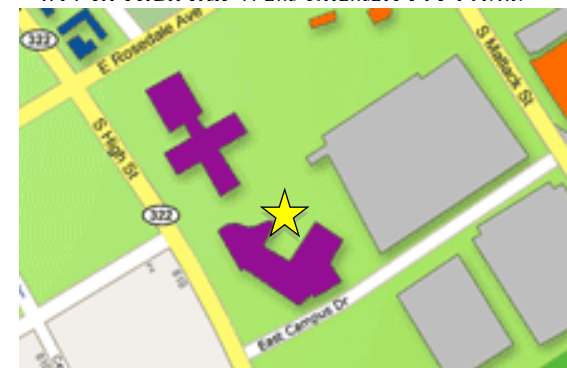

**Disclosure:** Relevant Financial Relationships – President and  
owner of Estill Voice International, received speaking fees, and  
travel for this conference from attendee registration fees.  
Relevant Nonfinancial Relationships - No relevant nonfinancial  
relationship exists.

**Cari Tellis, PhD, CCC-SLP** is an associate professor of Speech-  
Language Pathology at Misericordia University. She is also a voice  
specialist and speech-language pathologist with certification as a  
Master Teacher and Certified Course Instructor in the Estill Voice  
Training System. Dr. Tellis approaches voice training from a  
physiology and science perspective, merging this approach with the  
artistry of speaking and singing. She trains performers to be  
advocates for their voice and vocal health. Dr. Tellis values voice  
training at an early age to make sure healthful singing and speaking  
habits are formed. She is the director of the Performing Arts  
Training Academy, an organization dedicated to providing  
foundational instruction in singing, acting, and dance.

**Disclosure:** Relevant Financial Relationships – Received  
speaking fees and travel for this conference from attendee  
registration fees. Relevant Nonfinancial Relationships -  
No relevant nonfinancial relationship exists.

### CONFERENCE LOCATION
