Sync instructions for Mac users and those who use iCal:

- Click the “SUBSCRIBE” link, to the right of the “PRINT” link, near the top-right of the calendar.
- A box will open with several options: Select the button to “Subscribe to iCalendar Feed”.
- Click the “Subscribe” button. You will see instructions of how to proceed.

You will get a prompt from your iCal to “Enter the url of the calendar you want to subscribe to.” The url (webcal://25livepub.collegenet.com/calendar/wcu-publisher-academic-calendar-ro.ics) should already be populated for you. Click “Subscribe”.

You will get another prompt from your iCal to confirm the settings of this new calendar, including Name, Location, Alerts, and Auto-Refresh preferences. Click “Ok”.
