Using the latest cohort of student-athletes (2001-2004) the **academic success rate** (ASR) for WCU was higher than the federal rate. WCU men were at 75.4 and WCU women at 93.8 the federal rate was 64.7 and 85.0 respectively. The ASR for all WCU student-athletes was 86.1. **Graduation rates** (based on 5 years) for the 2004-2005 cohort of student-athletes was 76% versus the student body's rate of 65%. The four year rate was 68% versus 64%, respectively. Historically, when comparing student-athletes to the WCU students at large the spring term and cumulative **GPA** of the student-athletes is almost always higher than the student body. There is an occasional exception. A table of the GPAs for the last two years is provided below.

	S-A men	all men	S-A women	all women	S-A	all undergrad
	10-11/11-12	10-11/11-12	10-11/11-12	10-11/11-12	10-11/11-12	10-11/11-12
Spring Term GPA	2.935/ 2.965	2.877/ 2.896	3.450/ 3.243	3.236/ 3.229	3.134/ 3.104	3.091/ 3.092
Cumulative GPA	2.928/ 2.921	2.866/ 2.917	3.420/ 3.240	3.202/ 3.209	3.115/ 3.081	3.075/ 3.089

Time investment: The NCAA mandates that athletes practice and compete for no more than 20 hours per week. This does not include travel time to away contests, a contest which takes longer than 3 hours (allotted time for contest), or injury treatment time. Therefore the "total time" invested by a student-athlete can exceed 30 hours per week especially with travel to far away competitions.

Scholarships: No WCU student-athlete is on a "full ride". Many student-athletes are not on scholarship. An average scholarship at West Chester University is between \$2,000 and \$3,000 per year. A total of \$856,848 of scholarship monies were awarded in 2011-2012 which computes to \$1,433 per capita.

No special favors: Athletes should not ask for, nor are they expected to receive, special favors or dispensation such as a change of grade to be eligible to participate in WCU athletics.

Mentoring program: The athletic department supports a mentoring/tutoring program for student-athletes who are in academic danger. This is a one-on-one interaction between a student-athlete and their mentor.

Important Policies:

1. The **Excused Absence Policy for University Sanctioned Events**

Undergraduate students participating in University-sanctioned events such as athletic events, will be granted an excused absence(s) by the respective faculty members for class periods missed. Students will be granted the privilege of taking, at an alternative time to be determined by the professor, scheduled examinations or quizzes that will be missed. Students must submit original documentation on University letterhead signed by, coach (or athletic director), detailing the specifics of the event in advance. Use this link for the full policy:

2. **Priority Registration Policy**

- Better called "**conflict avoidance scheduling**"
- Enables student-athletes and other students with scheduling needs to register prior to the general student population thereby avoiding conflicts between classes and athletic activities.
