Here in CSD at WCU, we have just passed the mid-term mark of Fall Semester 2014. Earlier this month, we enjoyed a Fall Semester Break, in which some of us traveled, some of us shortened our “to do” lists, some of us relaxed, and every one of us enjoyed the spirit of the autumn season. Please look at this issue of /si es di/ to learn more about how you can be part of our continued celebration of who we are . . . particularly how you can participate in our 2nd Annual Ornament Contest and contribute to our observance of the 2nd Annual Elizabeth Tyson Day. We are happy to share our CSD news with you . . . and we hope that you, in turn, will share your news with us. Please know that, if you are a friend of CSD at WCU in any way, we treasure your connection with us. If you live at a distance, please know that our doors are open to you whenever you are in the WCU area.

The family of Megan Lynn Swan has established a scholarship in her name to support students in the College of Health Sciences (CHS) at West Chester University. Four students from the CHS will receive this scholarship for Spring Semester 2015. The faculty of the Department of Communication Sciences and Disorders (CSD) will select one student and forward his/her credentials to the selection committee for consideration for this scholarship. The value of the scholarship is $1,000. Both undergraduate and graduate students are eligible to apply for these funds. Financial need is a primary criterion for selection.

This scholarship is named in memory of Megan Lynn Swan, the loving daughter of Joseph and Rose Swan. Ms. Swan was a Nutrition major at WCU. She was a runner who ran at least two miles a day. She also loved to cook and enjoyed arts and crafts. She worked part-time at Chickie's and Pete's. She died suddenly at the age of 21 in October 2013.

If you wish to be considered as the CSD Department nominee for this scholarship, please submit your resume, a statement of your financial need (up to 500 words), and a statement of your plans for a career in a health sciences-related discipline (up to 1000 words) to Dr. Gunter (gunter@wcupa.edu) by Wednesday, November 5, at 5:00 p.m. The CSD faculty will select our nominee for this scholarship when we next meet.
CSD Start-of-School Celebration

In early October, the Grillo family hosted the CSD faculty and their families for a start-of-school celebration. Many thanks to the Grillo family for their warm hospitality! The CSD Department celebrated the award of tenure to Dr. Swasey Washington, the award of promotion to Dr. Koenig, the arrival of the new faculty members Dr. Anand and Dr. Benigas, the completion of the re-accreditation site visit, and the opportunity to continue the CSD mission for yet another academic year! Below are photos of the campfire that followed the lovely potluck supper.

And the Spirit of the Golden Rams!
In 2013, CSD at WCU celebrated the 1st Annual Elizabeth Tyson Day to honor Professor Elizabeth Tyson, who founded the “Speech Clinic” on the West Chester University Campus in 1923. We selected December 1, her birthday, as the day to honor her every year. In 2013, CSD at WCU celebrated this special occasion with an Open House that many of you attended. In 2014, CSD at WCU invites you to observe this special day to honor our “Miss Tyson” with an act of service dedicated to her memory. Our aim: to have at least 91 (the number of years our clinic has been in existence) acts performed... and preferably 191, 291, 391, 491, or even more acts of service performed to honor her legacy. The process is simple:

--Select the act of service that you will perform.
--Perform your act of service between October 1st and November 30th.
--Write a short description of your act of service on the form located in this newsletter.
--Deliver the form to the “Elizabeth Tyson Day” box, located in the CSD at WCU lobby.
--If you cannot deliver the form in person, send it by e-mail or postal mail to CSD.
   --Our e-mail address is cgunter@wcupa.edu.
   --Our postal mail address is 201 Carter Drive, Suite 400, West Chester, PA 19383.

Thank you for your dedication and participation!

To Our CSD B.A. Students: As you know, the WCU Linguistics Minor curriculum has undergone revision. CSD at WCU is happy to tell you that the new WCU Linguistics Minor curriculum has completed the approvals process and is now available for your participation. Here for your information is the new WCU Linguistics Minor curriculum form.

**MINOR CONCENTRATION: Linguistics**
