

Transportation on, to, and from Campus

HELPFUL BACKGROUND INFO

1. 1/3 of WCU carbon emissions are related to commuting, conference, and business travel. WCU's carbon neutrality goal commits us to reducing these as best we can
2. There are 12 EV charging stations on campus: 2 in Sharpless Garage, 6 in the SECC Garage, and 4 reserved for the university's motor pool on East Campus
3. Bicycle racks are located throughout campus, and some are protected from the elements
4. There are over 5,000 parking spaces on North and South campuses with varying prices for surface and garage parking access
5. A Bicycle Lending Library is available to students and employees through the FHG Library
6. Access to campus is possible by
 - Walking
 - Bicycle
 - SEPTA and ChescoBus public transit buses
 - WCU shuttles on campus and in the borough
 - SEPTA or Amtrak rail (with transfer to WCU Exton shuttle or taxi, Lyft, or Uber)
 - Micromobility (such as scooters and skateboards)
 - Driving in carpools or alone

CHECKLIST OF TO-DOS

- Provide information about:
 - Share-A-Ride, a web app that matches commuters for carpooling, transit, and bicycling
 - Transportation options for guests and campus visitors
 - Commuting options for new hires and students
 - SEPTA Discounted Pass Sales
 - WCU shuttle buses
 - Safe cycling routes
 - Public transit schedules
- Support:
 - Faculty/staff working remotely when possible
 - Use of Zoom to allow off-campus participation in meetings
 - Employees and students commuting via all modes of transportation
 - Employees walking, bicycling, and using shuttle buses to get to on-campus meetings
