## Annual Medical Scholarship for Veterans

### About

Wellcentive is proud to support future healthcare professionals with our first Medical Scholarship for Veterans. This scholarship will be awarded to one achievement-focused student intending to pursue a career in Medicine.

Inspired by one of our co-founders who is a former United States Marine, Wellcentive stands in support of our armed forces who valiantly serve and protect our interests and citizens around the world, and especially those who wish to contribute to the field of Medicine. That’s why we are awarding $1,000 to one veteran pursuing a Doctor of Medicine degree.

Medicine is a challenging field of study. We know that tomorrow’s doctors, nurses, researchers and care workers put in long hours of study every day. Our hope is that this scholarship will help remove some financial obstacles and allow a passionate student to dedicate their time to succeeding academically. We feel this is particularly important for veterans, who have already made such great sacrifices to help others.

To qualify for the Medical Scholarship for Veterans, you must be either an active or retired member of the military in any branch. Additionally, you must be enrolled or accepted at an accredited medical college or university.

### Eligibility

- Applicant must be either a current medical student at an accredited medical school within the United States **or a pre-med major at an accredited undergraduate university in the coming academic year.**
- Applicants must have a minimum 2.8 GPA.
- Applicants must submit an official copy of their transcript.

### How To Enter

Please choose one of the two questions provided for your essay. Essays should be limited to 500 words or less.

1. How has your military service inspired you to pursue a career in healthcare?
2. What do you think is the biggest problem facing our healthcare system today?
