### About
This scholarship is designed to help students who have just finished high school take the next step in their education. Whether you’re earning a degree or pursuing vocational training, education has never been more important or more expensive. The Career Step scholarship program helps one deserving student to defer some of those costs with $2,000 toward higher education.

### Eligibility
Graduating high school seniors who are planning to continue their education after graduation. There is no age requirement, but the student must be planning to start school in 2015 or 2016.

### How To Enter
Submit an 800-1000 word essay and/or video on how you plan to use your education to benefit your family and/or community. Competitive candidates will cite specific experiences that encouraged them to continue their education or specific situations where they can apply their skills. The essay should be submitted through the application form, and the video can be submitted as a YouTube link.

Complete the application form online at [http://www.careerstep.com/scholarship](http://www.careerstep.com/scholarship). In addition to your essay and/or video, you will need to provide:

- First and last name
- Program of study
- Selected school
