About

LIGHTING55 is offering college based scholarships for students aspiring to achieve a college education. As we have attended college education ourselves, we are aware of the difficulty students face in financing their education. We recognize the benefits a college degree can provide. That's why our need-based scholarship rewards students who are looking to better themselves, who have goals and dreams, and who are committed to achieving a college degree. Students of all majors of all countries who are 16 years of age or older are encouraged to apply for our scholarships. High school students, undergraduate students, master degree students, and adult learners are all encouraged to apply.

Eligibility

Students enrolled in a two year, four year, or a graduate program are eligible to apply.
