# Logistics and Supply Chain Scholarship

<table>
<thead>
<tr>
<th>About</th>
<th>At America’s Driver Job List, we recognize the important role supply chain logistics plays in shipping and transportation. As logistics grow more complex, supply chain innovations will become increasingly important to keeping shipping and handling costs down. As a part of our commitment to developing future talent and helping the driver community, we are proud to support future supply chain innovators by providing the America’s Driver Job List Supply Chain Innovations Scholarship. Undergraduate and graduate students studying supply chain and logistics who will be attending an accredited university in the United States in the Fall of 2015 are eligible to apply. Submissions will be judged based on both academic merit and the content of the essay question response.</th>
