## Naegle Law Firm Scholarship

**About**

Charlie Naegle founded the Naegle Law Firm with the intent to provide a more thorough, aggressive form of legal representation. His primary goal is to practice law so each of his clients sees their case as top priority in the firm.

The Naegle Law Firm Scholarship was created to assist current or former service members and/or their children/grandchildren. The scholarship aims to assist eligible applicants in furthering their education goals while easing the financial burden of a higher education. The scholarship is open to students of any major and must be currently or will be enrolled in a degree program by Spring or Fall 2015. The scholarship can be used for tuition, housing, school supplies or student transportation costs.

**Eligibility**

Any current or former military-service members who are also full-time students (12 credit hours or more per semester) attending a university in the United States. Family members of current or former military-service members are also eligible to apply.

**How To Enter**

When applying for the scholarship, submit your name, former or current member’s branch of the military, enrolled school, estimated graduation date, academic and professional pursuits, email, activities and community involvement, employment, essay and honor pledge, stating the work being submitted is your own and accurate in an email to the following address scholarship@naeglelawfirm.com.

The essay must be 500 words and be in response to one of the given topics below:

1. A group of your classmates were recently involved in a deadly car crash. Police say all three students in the car had a blood alcohol level that was over the legal limit and a woman passed away after being hit head on by the vehicle driven by your classmates. What can you, along with your community, do to get the message across that drinking and driving kills?

2. If there was one national, state or local law you could change to improve your community, what would it be and why? Response should summarize the existing law and recognize why it was established in the first place. Consider review the history of the law and demonstrate how changing or abolishing the law would enhance the community of the applicant. Make specific, thoughtful recommendation on how the law would evolve with your suggested changes.
