# Rover College Scholarship

## About
At Rover.com, we match pet parents with a nationwide network of dog lovers for hire, offering pet sitting, in-home dog boarding, and dog walking.

In short, we’re suckers for all things cute and slobbery. But we have a serious side, too! Connecting pet parents with loving dog sitters across the country is something we do with the gusto of a pug snout-deep in a jar of peanut butter. This wouldn’t be possible without the rapid growth of the sharing economy, which Rover is proud to be part of.

Are you an Uber aficionado? An Airbnb connoisseur? Then chances are, you know more about the sharing economy than you realize.
