**The Ski Butlers Scholarship**

**About**

Bryn Carey founded Ski Butlers out of a single car garage in 2004 and has since successfully expanded his business to 10 locations serving 35 North American Ski Resorts.

Carey graduated with a Bachelor’s Degree in Business Administration from the University of New Hampshire in 2004. Using his degree and passion for the mountains and skiing, he applied both towards his prior summer business, Park City Seal Coat and his latest venture, Ski Butlers. Carey began to ski at the age of one with his desire to be in the mountains continuing through high school and leading him to captain the Division 1 ski team at UNH.

Today, Ski Butlers' vision is to deliver happiness to their customers, team members and partners by delivering legendary customer service. This happens daily both inside the offices and also out on the ski slopes.

Ski Butlers has created a $2,000 annual scholarship to award students who have a passion for skiing and/or riding and have used their passion to excel in the classroom. Ski Butlers believes that those who follow their passions are the happiest, strongest and most successful leaders in the world. It is Ski Butlers goal to ease the financial burden of students and help them reach their personal and educational goals. This scholarship will be awarded to help with tuition expenses.

**Eligibility**

All current undergraduate, graduate or postgraduate students, attending an accredited U.S. college or university with a passion for the mountains.

**How To Enter**

- Write a 600 word essay about your experiences in the mountains, skiing and/or riding and how following this passion has made you happier and more successful in the classroom.
- Please be specific about your time in the mountains and the results in the classroom.
- Please also provide examples of how you will share what you learn through this experience, to help those that surround you follow their passions.
- Email this essay to scholarship@skibutlers.com in Microsoft Word, Google Docs or pdf format along with a photo of you in the mountains doing what you love.

**Award Amount**

$2,000

**Deadline**

January 31, 2016
