# Zumper Apartments Scholarship

| About | We're Zumper, a national home and apartment rental search site. Finding a place to rent has been difficult for too long, so we're out to completely change the game. We've built the first apartment search platform that not only helps you find the perfect place, but also apply for an apartment.

We know from our time at college that school is expensive, so we want to help you out with a $1,000 scholarship.

We’re looking for outstanding students who have helped their classmates or community in a tremendous way. Maybe you started a club that raised $10,000 for charity, or championed recycling and sustainable practices across campus. Whatever it is, we’d love to hear about it! |
