Announcements

McAllister & Quinn

Through the support of the Provost, the Office of Research and Sponsored Programs is now collaborating with McAllister & Quinn, an outside consulting firm, to assist in greater external funding opportunities (check in with your Dean for more information)!

New InfoReady Intake Form

We have created a new InfoReady Intake Form for External Submissions to help faculty start the process and let our Grant Specialist know about your external funding submissions. Please see the link for details. [InfoReady Intake Form](#)
