**YOUTH PROGRAMS OFFICE PHONE:** 610-436-3089
SC-1
Dear Youth Program Coordinator,

Thank you for being an integral part of our 31st annual PAWLP Youth Program. We’re looking forward to a great summer watching kids have a wonderful time writing and reading. Last year we enrolled over 600 students. We hope this will be our finest summer to date. It will depend on you! You have been asked to join our staff because of your teaching skills, your “camp spirit,” and your dedication to the excellence represented by the Writing and Literature Project model.

Site coordinator responsibilities are listed below. Please ask your co-director if you have any questions about any of this information.

**Drop-Off and Pick-Up Time Responsibilities**

**YOU MUST SUPERVISE DROP-OFF AND PICK-UP EVERY DAY. You may NOT leave until the last child has been picked up.** Teachers should arrive at the site 15 minutes before the starting time to receive any paperwork or information from site coordinators and to prepare for the arrival of students. At the West Chester site, parents are expected to drop children off 10 minutes before the program and to pick them up 10 minutes after so they can get the full instructional time. Return with your class to the pick-up site promptly at your ending time and release students to parents when they walk up to get their children. The parents must come up to get their children. If a parent is more than 15 minutes late, please attempt to contact them.

**Student Attendance**

The teacher is responsible to report to you any absences. If a child is absent for two days, phone the home to make sure they are still in attendance.

**Teacher Attendance**

It is important that every effort is made for teachers to be in attendance every day. If a teacher absolutely must miss a day, the substitute rate is $90/day which is paid directly to the substitute by the absent teacher. Collect the sub fee from the teacher the day before he/she will be absent. All absences must be reported to you as soon as possible since finding substitutes is a difficult task. Your co-director will help assist you in locating a substitute. The regular teacher will absorb the taxes in their paycheck.
**Introductory Staff Meeting**

The Site Coordinator should schedule a meeting prior to the beginning of the session. All pertinent information should be reviewed at this time. A folder should be provided with all of the following copies:

<table>
<thead>
<tr>
<th>♦ Class list</th>
<th>♦ Teacher check list</th>
</tr>
</thead>
<tbody>
<tr>
<td>♦ Session outline</td>
<td>♦ Parent comment form</td>
</tr>
<tr>
<td>♦ Attendance check list</td>
<td>♦ Student comment form</td>
</tr>
<tr>
<td>♦ Cover contest letter and entry form</td>
<td>♦ Discipline policy</td>
</tr>
<tr>
<td>♦ Anthology letter</td>
<td>♦ Fire drill procedure</td>
</tr>
</tbody>
</table>

You are responsible for making your own photocopies prior to the start of the session. Some sites do not allow use of the copy machine. You may call the PAWLP office to arrange a time to use the copy machine. No reimbursements for copies made elsewhere.

**Introductory Letter**

Please prepare a letter to be given to parents on opening day. The letter should introduce yourself and your teachers and notify parents of upcoming events such information about the Open House on the final day where families can see what the students have been doing and participate in an optional book fair. Please emphasize pick up and drop off times and locations. (See sample letter in appendix)

**Bathroom Policy**

Children are not permitted to attend the restroom without adult or volunteer supervision. In the event the volunteer is a high school student, a buddy system must be used. We strongly recommend that teachers take their classes as a group.

**Snacks**

Students will bring their own snack and drink each day. You will need to arrange times and a common place for meeting at snack time. Children are not permitted to leave the site for snack time.

**Discipline Policy**

A copy of the discipline policy is included in the appendix to this handbook. Please make a copy for each teacher. All problems should be handled by you and reported to the Youth Programs Director, Karen Pawlewicz. Providing supervision is paramount.
**Fire Drills**

On the first day of the session, site coordinators must hold a fire drill practice with all students and teachers. Choose a time when all teachers will bring their students to the designated area. The access route must be posted in each classroom by the door. The site coordinator may use the same access routes that are used by the school. There should be a designated area for all students to line up by classes. Teachers are responsible to count all students and let the site coordinator know if there are any children missing.

The site coordinator must complete the Fire Drill Evacuation Procedure form and attach it to a copy of the evacuation procedure for the site. This should be attached to the site coordinator report.

**Medical Concerns**

Minor health concerns, such as slight headaches, should be distinguished from serious concerns. Teachers must report all accidents and medical concerns to you. Keep a record of all accident and medical treatment in the accident log (see sample in appendix). Information regarding students’ medical needs will be on the class list that you will give the teachers. Each site coordinator will be provided with a first aid kit. Band-Aids and gloves are available for all teachers in the supply boxes.

**Open House**

The site coordinator will hold an Open House on the final day of the session for the families of the students to visit the classrooms, possibly share refreshments, and participate in an optional book fair. Some sites have a bookseller who will set up and collect payment. Some independent bookstores contribute a percentage of their profits to our scholarship fund. Other sites have a Scholastic book fair delivered. The site coordinator is responsible for setting up the fair, collecting money (cash or checks made payable to PAWLP), and delivering the proceeds to the PAWLP Office. Please discuss this with your co-director and be sure you understand what will happen at your site. Some sites provide refreshments at the Open House, although many sites do not. If you choose to provide refreshments, please be aware that the Project no longer reimburses this expense. An invitation should be sent to parents to inform them about the Open House Celebration (see sample in Appendix).

**Anthology Information**

Check every page to make sure it is ready to duplicate. These pages must be camera-ready so that they will photocopy nicely. Also, make sure the child’s name is on the page. Teachers should review each child’s submission for violence, swear words, and avoidance of the complete name of other people. If a piece seems inappropriate, the child should be encouraged to modify the piece or submit another. Each teacher should also submit an anthology page. All pages must be in alphabetical order by class, with the teacher page at the end. Each child should submit one anthology page. You must handle situations when children do not hand in pages. They are all due on the last day! If a student page is missing, notify the parent to verify the missing page. (See sample Anthology page in the Appendix). If you prepare an introductory page for your anthology, please also submit it electronically to amascherino@wcupa.edu in case we need to make revisions and/or corrections.
Table of Contents

The PAWLP office will supply you with two copies of the student information sheet (class lists) for each teacher based upon the information in our database. The first copy is for the teachers to keep. The second copy is for the teachers to verify that the information for the Table of Contents page of the anthology is correct. This should be done on the first day of class. If we have spelled a child’s name incorrectly or listed the wrong grade level or school, please write the corrections on the sheet. If a student attends a non-public school, please be sure we have the correct name of the school and the town in which the school is located. The second, revised class list page should be attached to the front of your anthology pages. Do not number the pages. (See sample Class List page in appendix)

Reports

Student conference summary- Each family receives a narrative about their child. This report is divided into four sections. The heading includes the first and last name of the child, site, and teacher. The top half of the page is a section for teachers to list writing activities presented and shared readings. This part of the report will be used for every child. The bottom half of the page should be a personalized narrative on the child’s strengths and includes a box for the student to tell what he/she has read and list their writing and reading goals. These reports need to be checked and rechecked. We have had cases where inaccurate information was reported to parents, and we must avoid that situation. Please have these reports prepared accurately and turned in to your site coordinator by Wednesday of week 2. See sample in appendix. You may want to use the conference grid to gather information about your student. (See samples).

Paperwork Summary Sheet

A sheet will be provided for you to check and make sure that you have all of the required paperwork from each teacher (See sample in Appendix). Simply fill in the names of the teachers and check off each category of paperwork. If a student does not have some of the required work, please attempt to get this work from them. If this is not possible, please note this in the comment section for that student. Coordinators should follow up with a phone call to the parent. Sometimes students chose not to do an anthology page. This is okay, but we need to know so that we do not hold up the publication thinking that we lost a child’s work. Parents tend to get upset when their children don’t get published.

SC-6
**Coordinator’s Report**

The site coordinator is responsible for writing a 2-3 page summary of the session. This should include the following: participant summary, teaching staff, facility, snacks, literacy celebration, and a general summary. (Sample coordinator reports in Appendix)

Site Coordinators will be paid after all paperwork has been reviewed by the co-directors.

Thank you again for working for the Youth Programs of the Pennsylvania Writing and Literature Project. We are sure that you will find this to be one of the most enjoyable experiences that you have ever had. Please inform your co-director of any questions or problems that you might have. Good luck, and enjoy yourself!

Sincerely,

*Mary Buckelew,*
Director

*Karen Pawlewicz,*
Youth Programs Administrator

Sample Letter regarding Anthology

Dear Young Writers/Young Readers Program Students and Parents,

The following are a few notes about our cover contest and anthology. Please ask your teacher if you have any questions.

Cover Contest: We will hold a contest for the best cover for our anthology next week on Wednesday. Everyone can enter. Here is what you need to do:

1. Use the paper provided by your teacher to draw your cover design.
2. Please make sure the picture drawn stays within the outline on the paper.
3. The picture can be of anything, but it is more likely to win if it is about writing and reading.
4. The cover should be drawn with a thin, felt-tipped marker or black pen. (You may want to do the picture in pencil first, and then go over it with the marker/pen.)
5. On the cover, the following information must be present:
   - 31st Annual Young Writers/Young Readers Program
   - Site Name: _________________________________
   - Your full name printed in the box in the lower right hand corner

6. You cannot use other people's designs (i.e. Barney, Mickey Mouse, etc.).
7. Your cover must be turned in by the beginning of class next Wednesday. We vote during snack time.

**Anthology:** Every participant may submit one page for the anthology. You can pick any pieces you want as long as they fit on one page. Here are a couple of notes.

1. Your page must be typed. Make sure the page is dark enough for photo copying.
2. An "About the Author" paragraph must appear on your anthology page. Also note: **Your full name should appear on the page.**
3. All papers must have a complete 1" margin around all sides so that none of the writing gets lost in the photocopying or binding.
4. Please do not use the full name of other people, do not use swear words, and do not write about violence. Remember that other children, parents, and teachers will be reading your work.
5. See the sample anthology page below. Additional sample anthology pages are available through your child's teacher.

****Please show this paper to your parent/guardian so that they can make sure that your cover and anthology pages will turn out great!****

**The Real Tall Game**

Two hours before the game started I was sitting in the most exciting but game. It was 65 degrees, probably the hottest day of the year. While I was waiting for the game to start I watched the Miller's around and was up their room. I asked the Miller's and they were happy. Finally, the game started. After 5 hours you would think the game would be over, but it wasn't. The game went into overtime because the game was tied. The Miller's didn't come and made the Miller's nervous. They lost 4 hours. After 3 hours, the team of the Miller's were taken by the Game. There was a 5-4 score. The Miller's pitcher and Adam were out of the game. The Miller's made 3 runs. The Miller's scored 4 runs. The Miller's were 4 runs. The Miller's were at home. The Miller's were 3 runs.

Summer Youth 2015
Pennsylvania Writing and Literature Project
Internet Access Form
For Young Writers on Computers

The Summer Youth Computer Writing Classes sponsored by the Pennsylvania Writing and Literature Project are not Internet based courses. The computer courses do not require use of the Internet. Students utilize word processing programs to work on their personal writing. Internet access will not be allowed, and those students found using the Internet may be dismissed from class. In this light, we ask that parents and students sign the Internet Awareness form below and return it to their teacher the next day.

I understand that my son/daughter does not need to access the Internet for his or her PAWLP Summer Youth Computer Writing Class. If my son or daughter does access the Internet during class time, this may constitute grounds for dismissal from the class.

I agree that I will not access the Internet at any time during my PAWLP Summer Youth Writing Class. If I should access the Internet during class time, I may be removed from the class.

Coordinator's Report 2010
Young Writers/Young Readers and Creative Writing for Teens
Garrett Valley School District

Participant Summary:
The site boasted 57 students, ranging from first through twelfth grades during the two weeks. Students were divided into four groups: 1st through 2nd graders, 10th through 12th graders, 10th through 12th graders, and 10th through 12th graders. Many of the students have attended the camp in the past, either at Garrett Valley, or at other sites. Most parents enrolled their students knowing exactly what to expect, and many students arrived eager to write and share.

Teaching Staff:
This year, our teaching staff was extraordinary! All of the teachers had the kids excited and actively engaged every day, which was evident by how excited the kids were to arrive in the morning! It was great to see teachers share ideas with one another as well. Their professional and enthusiastic attitudes make the program what it is! All classrooms displayed student work and class models as well as writing “tools” for idea generation and word choices.

Michelle Mouttich was new to our program this year, but what a fantastic addition! She is enthusiastic, extremely hands-on, and the kids loved here! Her lessons were well-planned and thought out with elegance. She was fantastic with the 1st and 2nd graders and encouraged their somewhat new writing skills. Michelle filled the room and hallway with examples of the kids’ writing! How fun for them to see their own work each day! I am hopeful that Michelle will join us again next year!

Jessica Pano is our veteran teacher and provides a wealth of helpful information and enthusiasm. Jess thoroughly enjoyed the 5th-7th grade students! As usual, she’s a great fit! Jess could work with any age without any trouble! The students love her, and she is extremely approachable and knowledgeable. The kids loved all of her interactive writing activities and reading. She does an amazing job helping students to get their ideas down on paper and making sure that they feel excited about their own writing. She was phenomenal! She truly exudes enthusiasm and a love for teaching. The kids and Mrs. Pano all had a great time, and this was evident every time I entered the room. Their work was posted throughout the classroom in brilliant displays of creativity. She even took them outside to write for a writing marathon and again for an “illustrious scavenger hunt” (when the weather cooperated).

Mary Shank had a rough two weeks personally, but no one would ever guess it! She completely exudes enthusiasm and a love for teaching. The kids and Mrs. Shank all had a great time, and this was evident every time I entered the room. Their work was posted throughout the classroom in brilliant displays of creativity. The kids created reader’s theatre skills for the parents, and did a great job! They demonstrated their impressive writing skills and group work! She’s FABULOUS and so very energetic! I look forward to having her return again next year!

Shelley McAllister joined us as a substitute for Mary for one day and did a phenomenal job. I was very pleased with her enthusiasm and hard work.

Another veteran to the program is Pat Mosley! She, too, was phenomenal. She really encouraged the writers, and even managed to get some reluctant writers to enjoy
the camp! Pat is very interactive and enthusiastic. She constantly had the kids doing active writing and they are often technology-based! They wrote scripts for and animated objects, created a short movie, and wrote fabulous poetry! I hope Pat will join us again next year.

Furthermore, I taught the Creative Writing for Teens class – the fourth year here at Garnet Valley. The students were excellent, and really enjoyed their time here (according to their evaluations of the program)! I really enjoyed teaching them, and the program went really well! The two-week option seemed to work really well for my students! Our favorite activity over the two-week period was a poetry unit! We had such a great experience!

Facility:

Bethel Springs Elementary School is an excellent facility to hold the program because of its air conditioning and room layout. The rooms are spacious and had been cleaned already, and they provided an excellent environment for our students. The custodial and secretarial staff was wonderful. They were very helpful and kind! Steve Piascik, the principal, was also extremely helpful and courteous. He was an excellent asset, especially during the first few days of pickup and drop-off! Each room had a smart board and that was a fabulous.

The grounds of Bethel Springs are much nicer than the other elementary schools, and we were able to spend much of our writing time outside when the weather allowed! There is even a beautiful nature path with benches at the end, which is great for writing! And, they were nice enough to put the older kids in larger chairs to make it more comfortable for them.

Overall, I highly recommend the use of Bethel Springs again next year!

Snacks and Supplies:

The supplies provided were fine this year. Snacks for our Open House were purchased at Target this year.

Visiting Author:

Eric Wight, our visiting author, scheduled two sessions with the kids on Wednesday, July 6th. The older group attended the second session, and the younger group attended the first. He was an enthusiastic person, with great information about writing. He was extremely interactive, and excellent for both age groups. I would recommend him again without any reservations.

Literacy Celebration:

This year, we set up the large group instruction room with refreshments and the cover contest winners. Student work was displayed in their respective classrooms, and the teachers created a short program for the parents, where students shared their work. Miss Monteith's students shared their favorite pieces with the parents, while Ms. Mosley's students made a movie skit and slideshow. Mrs. Shank and Mrs. Palo's students created reader's theatre skits.

We look forward to having a book fair again next year.
Summary:
This year was a huge success. Our numbers were strong, and the Creative Writing for Teens was successful.
I thoroughly enjoyed the opportunity of site coordinating here at Garnet Valley. With such a great staff and Karen Venuto’s help, and the support of FOUR excellent teachers, I felt that this program went very smoothly. Hopefully we will all be back again next year!
