Fax (610) 436-2635

## Introduction \& Acknowledgements

This Fact Book provides some of the most commonly requested information about West Chester University. Much of the information is drawn from the University's database and state mandated reports. Other offices and sources used are cited throughout the document. The cooperation of those offices and sources is much appreciated.

The Fact Book is divided into several chapters: Admissions, Enrollment, Retention/Graduation Rates, Academic Degree Programs \& Accredited Programs, Graduation/Degree Information, and Resources (including financial aid), Services and Facilities.

Comments and suggestions about additional information that might be included are much appreciated. Please forward your suggestions to ninamdar@wcupa.edu.

Additional institutional information is available on our website: http://www.wcupa.edu/infoservices/oir/

## General Information

## Statement of Mission and Goals

West Chester University is a community of educators that develops graduates to succeed personally and professionally and contribute to the common good.

WCU GRADUATES WILL:

Apply scientific reasoning and demonstrate quantitative and qualitative literacy
Collaborate with others to solve problems and address societal needs
Communicate effectively and participate in civic discourse
Engage inclusively in a diverse society
Understand the ethical implications of decisions and the world in which they live

## INSTITUTIONAL GOALS:

To fulfill its mission as a public institution serving the Commonwealth, West Chester University will focus on student success and institutional improvement as measured by the degree to which WCU demonstrates:

Access to learning
Community and cultural engagement
Continuous improvement
Critical thinking
Inclusion
Scholarly and creative activities
Sustainability

## About West Chester University of Pennsylvania

West Chester University offers bachelors and masters degrees in the arts and sciences, teacher training and certification, advanced study preparation in fields such as medicine and law, education for specific professions, and continuing education.

Total enrollment at West Chester University includes 14,567 undergraduate students and 2,960 graduate students. This represents the IPEDS unduplicated headcount. While most undergraduates are recent high school graduates preparing for career objectives, many others are older individuals, including veterans and homemakers, who either never before had the opportunity for a college education or whose schooling was interrupted.

Most students are residents of Pennsylvania but students from other states and foreign countries are welcome. The student body at West Chester University represents a cross section of many ethnic, racial, and religious groups and includes students from all socioeconomic levels.

Like the world around it, West Chester University is constantly transforming. The school continues to broaden and modify the nature and number of its programs to reflect the needs of its students in their endeavor to prepare themselves for success and fulfillment in life.

## The History of West Chester University of Pennsylvania

Founded in 1871, West Chester University began as West Chester Academy, a private, state-aided school that existed from 1812 to 1869. The academy enjoyed strong support from the highly intellectual Chester County Cabinet of the Natural Sciences of the pre-Civil War decades. It was recognized as one of Pennsylvania's leading preparatory schools, and its experience in teacher training laid the groundwork for the normal school years that were to follow.

As the state began to take increasing responsibility for public education, the academy was transformed into West Chester Normal School, still privately owned but state certified. The normal school admitted its first class, consisting of 160 students, on September 25, 1871. In 1913, West Chester became the first of the normal schools to be owned outright by the Commonwealth.

West Chester became West Chester State Teachers College in 1927 when Pennsylvania initiated a four-year program of teacher education. In 1960, as the Commonwealth paved the way for liberal arts programs in its college system, West Chester was renamed West Chester State College, and two years later introduced the liberal arts program that turned the one-time academy into a comprehensive college.

In recognition of the historic merit of the campus, in 1981 the West Chester State College Quadrangle Historic District was placed on the National Register of Historic Places. The buildings included in this historic district are Philips Memorial Building, Ruby Jones Hall, Recitation Hall, and the Old Library. Except for Philips, these buildings are all constructed of native Chester County serpentine stone.

West Chester State achieved another major milestone with passage of the State System of Higher Education bill. West Chester became one of the 14 universities in the State System of Higher Education on July 1, 1983. Along with its new name -- West Chester University of Pennsylvania of the State System of Higher Education -- the institution acquired a new system of governance and the opportunity to expand its degree programs.

ADMISSIONS

## Undergraduate Admissions Standards

West Chester University prides itself on the holistic approach used in evaluating applicant credentials. Each application is reviewed individually, and we carefully consider scholastic performance and academic preparation to determine an individual's potential for success.

For general admission, as a first-year student, the Office of Admissions requires successful completion of a college preparatory curriculum in high school. Honors and AP level courses are preferred. Minimum requirements also include a grade point average of 3.4 or better, a minimum combined SAT score of 1120 or better, and rank in the top $40 \%$ of the class. It is important to realize that these factors are guidelines for consideration. The academic profile of the first year students who enrolled at West Chester University in Fall 2017 is a mean SAT combined score of 1120 (scores used for Admission Decision), a rank in the 40th percentile or top 60\%, and a grade point average of 3.38.

Applicants who do not meet regular admissions standards may be considered for a special admissions program if appropriate or denied admission and counseled to enroll at another college or university for a minimum of 24 credits before reapplying as a transfer student.

Transfer applicants must have a minimum grade point average of 2.00 for admissions consideration. The majority of our transfers have a Cumulative GPA of 2.50 or better prior to transferring to the University. Some of our academic programs require a higher grade point average and specific course prerequisites. Pennsylvania Community College students who have earned an Associate of Arts or Associate of Science degree and students who have completed 12 or more transferable credits from a State System University with a 2.00 or above have an Academic Passport that provides entry into any university in the State System of Higher Education. For more information on admissions requirements and the Academic Passport, please contact the Office Admissions at (610) 436-3411 or e-mail ugadmiss@wcupa.edu.
