Candidates in **early grades, middle grades, and special education/dual majors** are required to complete a community service experience. For undergraduate candidates this is one of the requirements for Formal Admission to Teacher Education (FATE). **Please make certain that your clearances are up to date and complete.**

The community service experience requires that you complete a minimum of **20 hours of pre-approved, unpaid service** (not at your workplace) during the time that you are in your professional education program. This service must be provided to **non-profit agencies/organizations** serving children, youth, and adults, including those with disabilities. If you choose to serve at two agencies/organizations, you must complete a minimum of 10 hours at each organization/agency.

The nature of **your service must provide a direct, concrete benefit to the population/s** that an agency serves. Thus, for example, tutoring students would be qualifying service, but participating in a fundraising event may not. The 20 hours of your community service requirement may not also be used to fulfill any requirement of a credit-bearing course. Please remember that some of the volunteer opportunities require a serious commitment of time, energy, and emotion. Always determine first that you can meet the organization’s expectations.

**A Community Service Experience Award** is given on Teacher Education Day held during the spring semester. This is a monetary award. The recipient is selected by the Community Service Advisory Committee on the basis of exemplary service.

**Steps in Meeting the Community Service Experience:**

1. Plan your community service experience. The College of Education’s undergraduate program counselor, Wayne Hall 107, will help candidates identify and locate appropriate service opportunities (if needed). Community service experience hours cannot be completed at your workplace.

2. Complete the community service experience pre-approval form (available in Wayne Hall 107, department offices, or on the College of Education’s website). Submit your pre-approval form for review and approval by the undergraduate program counselor in Wayne Hall 107 **prior to beginning service hours.**

3. The undergraduate program counselor will review your form; if approved you will be given a copy. If the counselor is unavailable, leave the form in the drop-off box located in Wayne Hall 107 and you will be notified by email when it has been reviewed.

4. Read the prompts on page 6 before you begin your community service experience. These prompts guide the reflective statement that you will write at the conclusion of your pre-approved service.

5. Complete your pre-approved community service hours. Secure all signatures on the verification form, and write the **Reflective Statement** (2 ½ to 5 pages). *(If your service was provided to more than one agency, please use a separate form for each. Your reflective statement should address only one organization; it is your choice.)* Submit these together to the undergraduate program counselor **within 60 days of the completion of the required 20 hours.** (The undergraduate program counselor will review your verification form and evaluate your reflective statement using the attached assessment rubric. If your completed form and reflective statement are approved, you will be informed by email of your successful completion of the requirement. If they are not approved, you will be advised by the undergraduate program counselor’s office on how to address any deficiencies that are found.)
6. Attach a copy of your verification form **ONLY** to your application for Formal Admission to Teacher Education.
