

LUMIO

WHAT IS LUMIO?

Lumio (formerly SMART Learning Suite Online) is an online, browser-based tool that allows teachers to add engagement opportunities to increase collaboration for students during synchronous or asynchronous classes.

GETTING STARTED

As a teacher:

- Open an internet browser and navigate to lum.io
- Click **Teacher Sign In** at the top right corner
- Sign in with Microsoft and your WCU credentials (@wcupa.edu)
- From the Dashboard, select **+Add Activities** to add existing content > choose **Import Resources** to upload an existing PDF, PPT, or Notebook file.

As a student:

- Visit Hellosmart.com and choose to **Sign In** or **Join As A Guest**
 - WCU students can Sign In with their WCU accounts
 - Student accounts are not necessary for connecting to a Class
- Once signed in, enter the Class ID that was provided by the teacher

EDITING YOUR ACTIVITY

- Once you have started an Activity, on your Dashboard scroll over the Activity and select **Edit**
- Add content by clicking the blue plus sign  in the lower left corner
- Within **Add Content**, you have several options to import additional resources, add YouTube videos, add Templates, or select from Ready-made resources
- Arrange the order of your content slides by selecting the slide and dragging it to the desired position in your Activity

TEMPLATES & READY-MADE RESOURCES

- New Page
 - Select from a blank template page, or a variety of ready-made slides
- Shout It Out!
 - Students generate ideas to a prompt or question and individually respond through text or images
 - Student answers are then displayed on a digital bulletin board
- Response
 - Create Multiple Choice, T/F, Multiple Answer, Poll/Opinion, or Short Answer questions and have students individually submit their responses
- Game-Based Activities
 - Choose from games like Monster Quiz Questions, Matching, Game Show, and Team Quizzes
- Ready-Made Resources
 - Select from Activities: Activating Prior Knowledge, Questioning & Reflection, Manipulatives, and Graphic Organizers
