Best Practices for Online Rooms

1. Provide connecting instructions.
2. Setup a test room for students.
3. Take time to teach the tool.
4. USB headphones are a must.
5. Keep the learner engaged.
6. Use breakout rooms.
7. Chunk the content.
8. Let the students present.
9. Record the session.
10. DE can be at your first session.
