

West Chester University Information Services & Technology

Student Webinar Series Spring 2024

WCU Technology Resources Overview

Join us and learn about the available technology and learning resources for students at West Chester University. Included in this session are RamTools such as RamCast, RamPrint, RamCloud and RamNet.

Tues, February 11, 2025 | 12:00pm to 12:30pm OR 3:00pm to 3:30pm

Introduction to Microsoft 365 & OneDrive

This session will introduce Microsoft 365 tools, accessible in the cloud and on your device. Learn how to login, use Microsoft Applications & OneDrive, the cloud based file storage system with options for editing and collaboration.

Wed, March 19, 2025 | 12:00pm to 12:30pm OR 3:00pm to 3:30pm

Get to Know LinkedIn Learning

Learn about LinkedIn Learning, your access to more than 250,000 high quality on-demand, creative, business and technology training videos. Be sure you get the most from your LinkedIn Learning experience.

Mon, March 24, 2025 | 12:00pm to 12:30pm OR 3:00pm to 3:30pm

Cybersecurity Awareness & Phishing

Phishing is one of the easiest ways for digital attackers to claim multiple victims and reap potentially large payouts at the same time. Learn how phishing works and why social engineering attacks are on the rise in general.

Wed, April 16, 2025 | 12:00pm to 12:30pm OR 3:00pm to 3:30pm
