

Are you eligible for Federal Work Study?

Do you want to work with students in elementary through high school, introducing them to science phenomena and advising on how to pursue a career in STEM?

- **Flexible Hours** – You choose which events you want to help with.
- **Good Pay** – STEMbassadors earn \$20 per hour, including travel to and from events.
- **Make a Difference** – We work with over 2,000 students in southeastern PA from low-income and underrepresented backgrounds. Help us give them access to experiences and information that will help them be prepared for and competitive in their pursuit of the STEM workforce.

Become A WCU STEM Outreach Ambassador!

You can help us motivate and inform students in grades 3 - 12 as a **STEMbassador!** with the WCU Center for STEM Inclusion.

Are you eligible for Federal Work Study? Sometimes it is in your financial aid package, but sometimes it isn't. Please reach out to us at CSI@wcupa.edu, and we will help you determine if you are eligible for this position through the Work Study Program at WCU.
